## **DETAILED ACTION**

### ***Election/Restrictions***

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions, which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-6, drawn to an on screen display control of video/audio equipments connected and respective power status, classified in 345/716.

Group II, claim(s) 7-10, drawn to the detection of connecting state of video/audio equipments and subsequent provision of powers accordingly, classified in 700/12.

2. The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: none of the groups claimed have a common special technical feature; furthermore, on screen display control of video/audio equipments connected and respective power status, and detection of connecting state of video/audio equipments and subsequent provision of powers are each individually useable in operating video/audio equipments.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
